THE TOOL SHOP WINS GOLD AWARD AS BRITAINS BEST TOOL RETAILER

November 24th 2011 saw The Tool Shop awarded Britain's Best Tool Retailer 2011 at an awards ceremony held in Manchester. Competing against Independents and large multiple Superstores this London SME demonstrated that it is a serious contender in today's competitive DIY market.

They have consecutively won the Britain's Best Tool Retailer **Silver Award** three out of the last four years and this year achieved the coveted **Gold Award**, competing against some of the industry giants. "Our formula is simple", quotes owner Vin Vara, "We have a range of products to suit both Trade and DIY users, well trained staff and an attitude to value and service for all our customers. I am so pleased for all of our staff who have worked so hard to achieve this accolade"

Independent retailer, The Tool Shop, based in and around the Central London area, currently operates with 10 strong specialist shops: two in Waterloo, two in Westminster, one in Kennington, one in Barbican, two in Queensway, two in Marylebone, and they have recently obtained a large warehouse situated centrally to service all of their branches.

The Tool Shop specialises in Hand & Power Tools, DIY, Housewares, Hardware, Electricals and Locksmith's.
